A screenshot of the Brinks login page. At the top, the Brinks logo is displayed in blue. Below the logo, the text "Sign In" is centered. There are two input fields: the first is labeled "Email address" with a person icon and a help icon; the second is labeled "Password" with a lock icon and a help icon. Below these fields is a checkbox labeled "Remember me". A large blue button with the text "Sign In" is positioned below the checkbox. At the bottom of the form, the text "Need help signing in?" is displayed.

Answer

Click a picture to choose a security image

Your security image gives you additional assurance that you are logging into Okta, and not a fraudulent website.

Remember the Security Challenge question you are selecting this will help you in the future to access your account in the event you forget your password.

After setup is completed, you will be redirected to the Okta welcome page. Look for the iApps icons on your screen, click the iApp icon of the application you may want to access and you will be re direct to the application URL.
